Screen 4: Login Screen

The image shows a mobile app login screen for 'PICO'. At the top, the status bar shows the time 9:41, signal strength, Wi-Fi, and battery. A back arrow is in the top left. The header area features the 'PICO' logo (with a smiley face in the 'O') and an illustration of a family (mother and son) looking at a smartphone. Below the logo, the text 'Welcome Back!' is displayed, followed by 'Login to continue your journey with PICO'. Three feature icons are shown: 'Secure' (shield), 'Parent in Control' (parent and child), and 'Safe & Trusted' (lock). The main login section is a white card with the title 'Log In' and the instruction 'Welcome back! Please enter your details.' It contains two input fields: 'Email or Mobile Number' and 'Password' (with a toggle eye icon). Below these are a checked 'Remember me' checkbox and a 'Forgot Password?' link. A large blue 'Log In' button with a right arrow is positioned below. A separator line with 'or login with' is followed by two buttons: 'Continue with Google' and 'Continue with Apple'. At the bottom, a link says 'Don't have an account? Sign Up'.
